Subject: RE: Follow up re: block parties

Blair and Bill;

Per our discussion, Peppa Williams is asking the Crime Commission to partner(co-sponsor) with him and his group to do 6 block parties across the county. We agreed we would look into how we can have visible presence at these parties by:

1. Setting up a table/booth to share the Operation: Safe Community 3 Plan to partygoers;
2. Discuss the importance of participating/establishing a neighborhood watch group in their community;
3. Make a determination on where parties will take place and strategically target those areas with specific objectives within OSC3;
4. Bring on board MPD Neighborhood Watch Coordinators to help with planning of NWG

These are what I understood to be the takeaways from our meeting.

Harold and Bill –

Thanks for the meeting today with Peppa. As a next step, please send me an email follow-up to our discussion about the safe summer block parties for brainstorming and short-term decision making purposes. We can turn it into a more formal write-up later.

I'm looking for a starter list of each of the 16 strategies and whether/how the block parties could accelerate progress against goals. Once you send that starter list, we can email back and forth a bit and decide which ones to prioritize.
